

# CHARITY REPORT

Deanna Miller, Charity Coordinator, Valley Corvettes, Inc.

The specialty Corvette license plate began sales in 2003. Valley Corvettes of Boise had the intent to direct the revenue generated from the sales of these plates to charities within the state of Idaho to help children. Valley Corvettes receives \$25.00 for each new registration and \$15 for each renewal of the plate.

The amount of help to charitable organizations within the State of Idaho

2003-2015

South East Idaho Corvettes - IDAHO FALLS - \$55,100.00

Snake Rivet Corvettes - TWIN FALLS - \$52,295.78

**VALLEY CORVETTES – BOISE - \$137,572.45**

**FOR A GRAND TOTAL OF**

**\$244,968.23**

In addition to the license plate fund Valley Corvettes raised \$484,000 over a 10-year period 1994-2003 for the Cystic Fibrosis Foundation.

The above does not include the countless hours the members spend in giving of their time and money to serve others at fund raising events such as the JDRF Walkathon and many other community needs.

Valley Corvettes also does many activities to support the community by providing Corvettes for parades of local functions as well as local high schools, Boise State University, and Veterans in the Veterans Day Parade.
